

Meadowstone Farm Tour
Bethlehem NH
July 9th 2026

Many squash and cukes
Newer variety of cukes grafted
on disease resistant stock

Sam gave a great overview

**Greenhouses full
of organically grown
crops. Some structures
are
movable.**

Cherry Tomatoes

They focus on these
more than
slicing tomatoes

**Washroom to
triple wash
lettuce before
bagging**

Cut flower operation

**Fun day
at a very
busy
local farm!**
