

An Afternoon in Landaff – Thank you Carol

Thank you CAROL.....your gardens and home are whimsically beautiful...a treasure for the eyes with so many unique plants. It was magical to visit your gardens,there was a surprise around every corner!

Bonus Gardens in Landaff!! Thanks Tom!

A visit to Tom's was an adventure. A tea house hides in the woods. Unique and beautiful plants were everywhere.... Like the flaming Trolleus....and Tom standing in the Butterbur (Petasites) patch! He purchased a small pot of the plants a few years ago and look at it today!

Bonus Gardens in Landaff – Thank you Deb!

Gardens and paths galore at Deb's...and a swimming pond. Lovely gardens with mountain laurel and a statue with a "fig" leaf!
